Dress Code & Grooming Policy

How students show up is important, as they are representations of Palma School and so much more. Their attention to their attire and grooming influences how they present themselves each day. It informs how they are perceived in personal and professional settings. It plays a vital role in the school's reputation. To set our students up for success, students must adhere to Palma's policies. It is a parent's responsibility to ensure that a student's dress and appearance meets these standards at all school events.

Daily Dress Code

Palma School administration has final authority on what is deemed appropriate. It reserves the right to take disciplinary action if a student is in violation thereof. Violations of this code may require disciplinary consequences, up to and/or including student suspension. Clothing that does not meet guidelines may be confiscated, which may or may not be returned at the discretion of administration.
